2nd - 5th May 2014

Sandy Glade Holiday Park, Burnham-on Sea, Somerset TA8 2LX

Dear Instructor,

My self and Bob Jones have been asked to organise a camp for 2014. We have managed to find a venue which is ideal and suits our needs well. I visited the camp and the staff there are very friendly and are willing to accommodate us. The facilities are good and the training area is ideal. I will be putting a link to the camps web site later once we know we have your support and the numbers will be enough to make it viable. The accommodation comprises of Chalets ranging from 1 to 3 bedrooms, I have negotiated that all bedding is included. Unfortunately there are no facilities for touring caravans but I am making enquiries with another couple of sites just up the road. Me & Bob have never been involved in martial arts for financial gains, so we want to invite instructors who feel the same and are willing to give up their time to pass on their vast knowledge to students who really want to train and learn. We promise you that we will not be making money off the back of the instructors. We know there will be costs incurred but as yet we don't know what they are. We will have to take out Public liability insurance to cover the course. To keep this cost down to a minimum we will be asking all students and instructors to have up to date insurance and licences. We hope to have 1st class instruction in a variety of styles, such as Ju-Jitsu-Gung fu- Karate-Aikido-Judo-Kendo-kickboxing-Iaido plus various weapons training. The training will be on the Sat 3rd and Sun 4th May from 10am to 5pm. . Time table to be confirmed. Although myself and Bob are hosting this event we really need your input and any suggestions will be greatly appreciated via e-mail or phone.

Unfortunately we are not in a position to pay any expenses to Instructors, but what we hope to do is at the end of the camp, any monies left after costs have been paid out will be shared out to the invited instructors. Also no invited instructors will have to pay for training.

Bob and Diane's daughter, Lisa (1st Dan Judo) will be our guest of honour alongside Keith and Lesley Candy. They were lifelong friends and Keith trained with and helped Bob run the Bristol Bushido Judo clubs. We are hoping to get others from the past who have links with Bob and Diane to attend as v.i.p's.

Yours in Budo

Sensei John Brown
